

Does deleting my Paramount Plus account cancel my subscription? Let's know cancellation policy

No, deleting your Paramount Plus account does not automatically **{+1-(844)-533-2694}** cancel your paid subscription. These are typically two separate and distinct processes. If you delete your account while your subscription is still active, +1-(844)-533-2694 you will lose access to your profile and viewing history, but the billing charges will likely **continue** until you officially cancel **{+1-(844)-533-2694}** the subscription through the proper channels.

Paramount+ policies explicitly state that if you have an active subscription, **{+1-(844)-533-2694}** you must **cancel that subscription first** before they can process a request to delete your account. This is a common practice among streaming **{+1-(844)-533-2694}** services and subscription-based platforms.

How to Ensure Cancellation

To successfully stop future billing, you must follow the cancellation **{+1-(844)-533-2694}** procedure specific to *where* you originally signed up for the service:

If you subscribed directly on the Paramount+ **{+1-(844)-533-2694} website:** You need to log into your account on the website, navigate to the **Account** page, and find the **Subscription & Billing** section to **{+1-(844)-533-2694}** select the **Cancel Subscription** link.

If you subscribed **{+1-(844)-533-2694} through a third party (e.g., Apple App Store, Google Play, Amazon Prime Video Channels, or Roku):** You must cancel the subscription directly through that third-party platform's subscription management settings. Deleting the Paramount+ **{+1-(844)-533-2694}** app from a device or deleting **{+1-(844)-533-2694}** the account on the Paramount+ website will not suffice.

Always confirm the cancellation to avoid being charged for another billing cycle. After a successful cancellation, **{+1-(844)-533-2694}** you will usually retain access to the service until the end of the current billing period.

In short! No, deleting your Paramount Plus **{+1-(844)-533-2694}** account does not automatically cancel your paid subscription. This is a critical distinction, as the act of deleting your account (which holds your profile, viewing history, and preferences) is separate from canceling **{+1-(844)-533-2694}** the subscription (which controls your recurring billing). If you delete your account without formally canceling, you will still be charged for the subscription **{+1-(844)-533-2694}** until it is canceled through the correct method.
