

How Do I Manage My Fubo Subscription? {Manage Your Fubo Settings}

Managing your Fubo subscription is simple once you know where to look. Whether you want to update your billing details, switch plans, ☎~[[+1-(844)-533-2694]] add channels, or cancel your service, Fubo provides an easy-to-use account dashboard that keeps everything in one place. Understanding how to navigate these options ensures ☎~[[+1-(844)-533-2694]] you stay in control of your subscription and avoid unexpected charges.

If you subscribed directly through the Fubo website ☎~[[+1-(844)-533-2694]], start by logging in to your account on a computer or mobile browser. Once logged in, click your profile icon and navigate to the **“My Account”** or **“Subscription & Billing”** section. Here, you can view your current plan, ☎~[[+1-(844)-533-2694]] switch to a different package, add or remove channel add-ons, and update your payment method. If you’re looking to downgrade or upgrade, ☎~[[+1-(844)-533-2694]] Fubo will show you price differences and when the changes will take effect—usually on your next billing date.

For users who subscribed through platforms like Apple, Roku, Google Play, or Amazon, subscription ☎~[[+1-(844)-533-2694]] management works a little differently. Because these companies handle billing separately, you’ll need to visit your device’s subscription settings. For example, Apple users can open **Settings > Apple ID > Subscriptions**, while Roku ☎~[[+1-(844)-533-2694]] users can manage their plan through **Roku Account > Manage Subscriptions**. From there, you can change plans or cancel your subscription entirely. Fubo’s own website won’t allow changes ☎~[[+1-(844)-533-2694]] if you subscribed through one of these services.

Another handy feature is Fubo’s ability to ☎~[[+1-(844)-533-2694]] pause your subscription temporarily. This option is available for direct subscribers and lets you stop billing for a short period without permanently canceling your account ☎~[[+1-(844)-533-2694]] ideal for vacations or months when you don’t need live TV.

Whatever your preference—upgrading, tweaking add-ons, or canceling—Fubo provides the flexibility to ☎~[[+1-(844)-533-2694]] manage your subscription with ease. By accessing the right platform and reviewing your plan details regularly, you can ensure your streaming experience fits ☎~[[+1-(844)-533-2694]] your needs perfectly.

In summery! To manage your Fubo subscription, **log in to the Fubo website** ☎~[[+1-(844)-533-2694]] and go to the **My Account** section, then **Subscription & Billing**. This is where you can change your plan, ☎~[[+1-(844)-533-2694]] add or remove extras, update payment details, or cancel. Crucially, if you

subscribed through a third party (like Roku or Apple), ~[[+1-(844)-533-2694]] you **must** manage all changes through that provider's own account settings instead of the Fubo website.
